GOLDEN CROWN QUALITY PROMISE

Commitment to quality is deeply embedded in our culture. We provide the best quality products under our brands to ensure a wholesome experience for our customers.

Picked at Peak of Ripeness

All Golden crown products are picked at the peak of ripeness to lock in the fresh ripened taste and flavor of the fruit or vegetable.

Packed at source

We ensure that the fresh produce does not have to wait long before it is processed. Our processing units are situated near the growing areas so that the freshly picked fruits & vegetables are immediately processed and packed in sterilized cans to keep nutrients in and impurities out.

Standardized Processing and Strict Quality Control:

Our strict quality control procedures right from fruit selection to packing ensure that all our products are hygienically processed and properly packed to give high quality, nutrient rich standardized packing.

Well equipped Product testing Labs

We are equipped with fully functional in-house chemical & microbiological testing, laboratories, incubation rooms to ensure that all our products are safe to consume and meet GOLDEN CROWN standards quality.

Luscious Shining Pineapples, Soft and tender Lychees, Perfect Red Cherries, Sun yellow Peaches; handpicked juicy Mangoes GOLDEN CROWN provides it all, irrespective of season or origin. GOLDEN CROWN is truly your perfect partner for the perfect Ice cream.

GOLDEN CROWN is a No.1 choice for Ice cream manufacturers for fruit ingredients. Golden Crown's special range of products focused at commercial ice cream manufacturing industry makes them a one stop solution to the fruit ingredient requirements. Products like Golden Crown Pineapple slices and tid bits, Lychees, Tutty Fruity, Cherries, Mango pulps, Peaches, Dry fruits, Candied Fruits etc are a must for real fruit ice creams. Golden Crown products have been delighting the consumer base of many acclaimed nationalized and international brands since many years.
